

McLoughlin and Fifteen Rivals Reach Fifth Round

ONLY 16 OF 138 LEFT IN NATIONAL TOURNAMENT

Fifth Round Reached With Six New Yorkers In and Four From California.

NILES CRUSHES MATHEY

Straight Set Win Unexpected—Three Long Matches—Tilt of Schoolboys On.

NEW YORK, Aug. 26.—Upon the conclusion of today's matches in the lawn tennis tournament for the championship of the United States, at the Casino courts, the sixteen of the original 138 racket players entered were left. The play was down to the fifth round, and with a few players eliminated, real battles will be seen.

McLoughlin leads in number of players left with six. P. J. Inman, G. F. Touchard, George Major, Karl Behr, W. M. Washburn and T. R. Pell, California, next with five. McLoughlin, playing against champion, Clarence J. Griffin, day court champion, Robert Lindley Murray, Metropolitan champion, and Elia Perrelli Philadelphia has Norris Williams, 24 Winslow P. Johnson and William J. Clapham. There are two from Boston, Nathaniel W. Niles and George P. Gardner. The remaining player is a local man, E. P. Pearson.

Play was started in the interscholastic championship this afternoon, with eight matches of sectional tournament in the day. Four were disposed of quickly, and the remaining quarter advanced to the semifinal round, where they will battle tomorrow. Edward R. McCormick, winner of the University of Southern California tournament, Jerry H. Weber, University of Chicago winner, Harold A. Touchstone, Princeton winner, and Leonard Deacon, the Columbia winner, were the four solid players. All four won in straight sets, disposing of George Achelis, University of Pennsylvania; T. H. Hopkins, Yale; S. M. Cushman, New York University; and E. S. Marden, Jr., Harvard.

The good surprises were notable for the absence today, the only unlooked for occurrence being the straight set victory of Niles over Dean Mathey, at 6-2, 6-3, 6-2. It was almost a record day, however, for long matches. Three went to five sets and all had a large total of games. New Yorkers figured in all three. Inman beat Harry Johnson, 6-3, 6-2, 6-3, 6-2, 6-3. Touchard won from E. C. Whitney of Boston, 6-4, 5-7, 6-3, 4-6, 12-10, and Major beat Sidney Thayer, Jr., of Philadelphia, 2-6, 6-4, 6-3, 4-6, 12-10.

In the Touchard-Whitney contest the Bostonian came within an ace of the match five times, twice in the fourth game of the first set and three times in the eighth. Touchard, however, though he seemed careless, was always able to stand off his opponent when a bad stroke would have meant defeat. Inman and Johnson were exhausted after their battle, which lasted three hours and forty minutes.

McLoughlin moved out by defeating Wright of Boston in three sets and the loss of only three games. Karl Behr beat Robert Leroy, 6-2, 6-3, 6-2, 6-3, but might have won even more easily had he gone to the net more often. Whitney did take two points, but when he attempted to play away from the base line the latter was more successful, for his deep driving was more accurate than that of Behr.

Williams had little trouble vanquishing A. S. Dabney of Boston, 6-3, 6-4, 6-1. Williams was at his best. The summaries:

HARPOON GOES OVER COURSE BY HERSELF

Wilbur H. Young's Challenging Motorboat to Meet Others in Later Races.

SIX SEEKING STATE TITLE

Little Gunfire First, but Loses on Corrected Time to Mulrmaid.

The annual carnival of the National Association of Engine and Boat Manufacturers opened yesterday on Manhattan Bay and will last until Saturday. Two good events were decided, but the others were spoiled because of accidents to some of the racing craft. Wilbur H. Young's Harpoon was the challenger for the international trophy. The defender, Peter Pan VI, a big motorboat, was speeded in and had a big hole knocked in her hull so that she was unable to start. The Harpoon went over the course alone. She will meet others in the next two races. In the cabin yacht class the Flora del Mar also had a walkover, but there are other boats in this class which will start in the races yet to be decided.

For the State championship there were six starters. The Adelaide, Amorita and Eastern Star are fitted with 40 horsepower Low Victor motors, the Mulrmaid, a 40 horse-power Ford, the Bull Moose II, a 40 horse-power Roberts and the Little Gunfire a 50 horse Mercury. These were sent six times around a five mile course. The Gunfire had a hole knocked in her hull so that she was unable to start. The Mulrmaid held so close to her that she won on corrected time. The Bull Moose II broke down. Thomas H. Taylor's Flyaway, a 40 horse-power Ford, was the challenger for the cabin launch championship and was an easy winner in spite of having to allow time. The summaries:
